0.8mm thick painted both sides

Sheets -  
0.35mm thick painted both sides

#### Post Profile

#### Rail Profile

## Styles and Options

OzyBound can be used in a variety of combinations. You can add lattice, louvre line, slats and match with plastic caps. OzyBound panels can be level, stepped or raked to suit sloping ground.

## Need a Gate?

Ask us for matching gate options. We can customise to suit your new OzyBound Fence.

Colours may vary in real life to how they appear in this brochure & in various conditions
