

**INTRODUCING  
OUR *SOPHISTICATED*  
*PICKET* RANGE**

*50mm Gap -  
Flat Top Picket*

## Classic Style and Lasting Quality

Discover the essence of classic style in our exclusive Aluminium Picket Range. Designed for elegance and built for resilience, these panels bring timeless charm and sophisticated appeal to any Australian home.

Our picket range requires minimal maintenance and are built to withstand Australia's harsh weather conditions. With a variety of styles and finishes to choose from, you can customise your fence to perfectly complement your home!

### Variety of Picket Styles

- ➞ **Flat Top Pickets:** Achieve the sleek Hamptons style with our flat top design.
- ➞ **Level Top Flat Cap Pickets:** Add a contemporary twist with flat cap tops for a subtle yet stylish detail.
- ➞ **Fancy or Plain Top Pickets:** Choose from ornate designs for a touch of elegance or keep it simple with plain tops.
- ➞ **Moon Top Picket Aluminium Fence:** Perfect for cricket ovals and sports grounds, the curved top design offers a sleek and modern touch while maintaining a durable and functional structure.
- ➞ **Step to Post Design:** Embrace the timeless appeal of our step to post design, adding depth and character to your fence.

*25mm Gap Step To Post  
Fancy Picket*

No two homes are the same, and neither are our picket fences. Every design is customisable — from picket style to spacing options— to create a look as unique as your space.

0 Gap - Flat Top  
Double Gate

## Elevate Every Entrance

Our **Aluminium Picket Gate Range**—including single, double, and sliding options—embodies the elegance and charm of classic fencing. Each gate is meticulously crafted to create a refined, secure entry that seamlessly complements your fencing, adding sophistication and functionality to your home.

**Single Gate Range:** Ideal for pedestrian entry, our single gates bring a clean, timeless look to any property. Thoughtfully crafted, each single gate integrates perfectly with the picket fence design, offering a sophisticated entryway that balances security and style.

**Double Gate Range:** For wider, more impressive entrances, our double gates provide both grandeur and functionality.

The dual-panel design offers ease of access while enhancing the classic look, perfect for driveways or larger property entries.

**Sliding Gates Range:** Each sliding gate is designed to seamlessly complement the elegance of your picket fencing, offering a clean, sophisticated look. Our sliding gates are built for both security and an elegant entryway for your property.

Flat Cap Picket

## Why Choose Our Aluminium Picket Range?

When it comes to elegance, durability, and timeless design, our **Aluminium Picket Range** is the ideal choice. Crafted from high-quality, weather-resistant aluminium, each fence is designed and manufactured by us, ensuring consistent quality and style directly from our factory to your property. Engineered to withstand Australia's harshest climates, our aluminium picket fencing is resistant to rust, fire, and termites, promising lasting beauty and resilience. With a warranty and support you can trust, our Picket Range brings both sophistication and peace of mind to your outdoor spaces. Choose strength, choose elegance, choose our Aluminium Picket Range.

### Unleash Your Creativity with Our Customisable Aluminium Picket Range

Elevate your space with the unparalleled elegance of our **Aluminium Picket Range**—where style meets limitless customisation. Designed for those who desire a blend of sophistication and personal touch, this range offers you the freedom to tailor every detail to your unique vision.

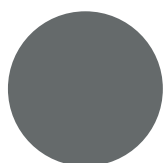

- ➔ **Customise Picket Styles:** Choose from flat top, level top flat cap, fancy, or plain top pickets to create the perfect aesthetic, whether you prefer a sleek modern look or a classic timeless appeal.
- ➔ **Adjust Picket Spacing:** Control the spacing between pickets to balance privacy and openness, allowing just the right amount of light and airflow into your space.
- ➔ **Feature Your Way:** Make a statement with our timeless step to post design, adding a striking architectural element to your fence.

Crafted from high-quality aluminium, our Picket Range is not only stunning but also durable and low-maintenance, ensuring your investment stands the test of time.

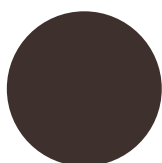

**Bring your vision to life with a bespoke solution that's as unique as your home.**

# The Sophisticated **Picket Colour Range**

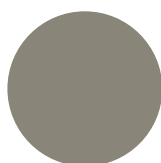

Our **Aluminium Picket Range** is available in the full Dulux Powder Coating colour range, including all standard Colorbond® colours, allowing you to create the perfect match for your home. This diverse palette draws inspiration from classic and contemporary styles, offering rich, timeless tones that complement any landscape. From soft whites and greys that evoke elegance to deeper hues for a bolder statement, our colour range allows you to create a fence that harmonizes beautifully with your surroundings. Transform your space with the refined colours of our Aluminium Picket Range.
